Dragon Boat SA is aware that there are occasions when a paddler registered with another Club interstate may be in Adelaide for a brief or ad hoc period and wish to train with an SA based Club. The following rule will apply:

- An Australian registered paddler who wishes to train with an SA Club is entitled to **four** free sessions; after which if it is going to be a longer-term arrangement, a fee of \$55 (GST inclusive) will be payable. The paddler would already be covered by the Parent Club for insurance and the AusDBF levy would have been paid by the Parent Club.

A registration form is available for downloading from the website or at:

The paddler will not be registered in the DBSA online database as an SA paddler.
