

CARE OF DBSA DRAGON BOATS

1. Clean and sponge out after each use
2. Clean off any rust marks from chain lifts
3. Ensure that rusty chains are not left resting on boats
4. Do not leave rusty gloves on boats
5. Ensure that CoxMate speaker harnesses are properly secured in boats and speakers are attached to the post beneath seats
6. Boats are numbered – adjacent to drum mount- record any issues in the maintenance book noting the boat number
