## Scullers Reserve

Scullers reserve is well appointed with access steps onto the beach which, will be used for boat loading

## Car parking

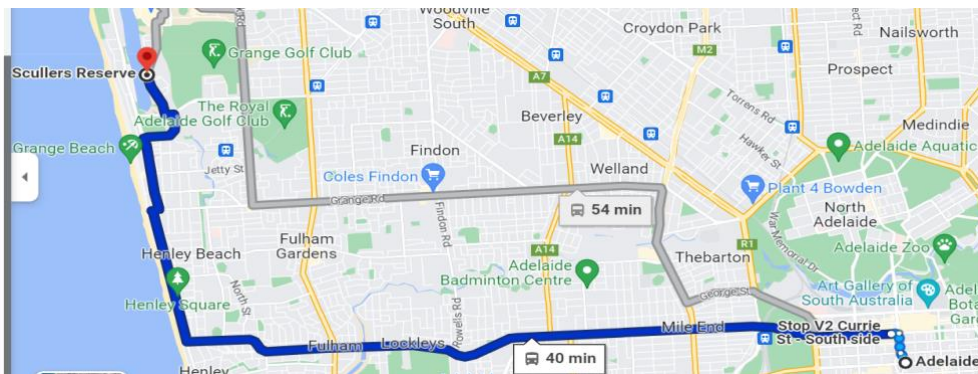

We are currently negotiating more parking in areas quite close to the course. There will be a shuttle bus from the nearby car park/s to Scullers Reserve transporting drivers to/from car park.

## Transport

The Grange railway station is about 800m from the course and is a very good option for anyone staying in the city.
