Volunteering and Officiating

Thank you to everyone who has offered their services to our event – we had been seeking 12 Officials and 26 Volunteers and we currently have 11 Officials and 30 Volunteers.

If any one is still thinking of volunteering, we can still find you a role and it would assist in providing rest breaks for those working in the event.

Both days would be 7.30am – 4.00pm and catering will be provided to all volunteers and officials and the Masters Games will be providing Volunteer shirts.

A full description of all roles was provided in Bulletin 2.

If you wish to volunteer, please contact Mary-Ann Holt at: holtz4@bigpond.com or call John Holland on mobile 0412 356 616 if you have any queries.

A Zoom session is planned for all volunteers and officials 2 weeks prior to the event and is planned for September 26th at 7pm SA time (7.30pm EST) to introduce everyone to the requirements of their roles. An invitation to the meeting will be sent 2 weeks prior.

Venue and Transport

The venue is Scullers Reserve, Sportsmans Drive, West Lakes – The southern end of the lake.

There is parking on Trimmer Parade, Military Road and the surrounding streets.

There will be a “drop off” section on Sportsmans Drive – drop off only and no parking.

The Grange Railway Station is approximately 1 KM from the race site.

All visiting teams will be allocated a tent space and there will be a quantity of chairs allocated to each space. Local clubs are requested to bring their own tents and chairs – these can be set up on the 12th as we will have security at the site from the 12th.

Sweep Pool

There are a number of crews requiring sweeps and we will be utilising a sweep pool to cover the demand. The sweeps from the pool will be allocated to crews and they do not have to conform to the age requirements of the crew but do need to conform to the gender requirement. (Senior A female sweep could be allocated to a Senior C female crew)

We have a list of those crews requiring sweeps and if there are crews who haven't advised us, please do so asap.

If you are a sweep and willing to be included in a sweep pool, please email John Holland on: johnholland@senet.com.au and you will go into a pool to be utilised by teams who require a sweep.

(NB your own crew will not be disadvantaged as we will ensure that any volunteering for sweeping will not clash)

Crew Lists

All Team Managers have been emailed a crew list template – this needs to be completed and returned by 28th September. If your team Manager has not received a copy, please let me know and I will send it to them. These lists will be used to complete the draw and for marshalling.

If you are having any issues in registering your drummer, please contact John Holland: johnholland@senet.com.au
