

POLICY: INTERSTATE PADDLING VISITOR

Policy No	044	Issue			9
Board Approval	Nov 2024	Review cycle	3yearly	Next review	Nov 2027

Introduction

Dragon Boat SA is aware that there are occasions when a paddler registered with an interstate Club may be in Adelaide for a brief or ad hoc period and wishes to train with an SA-based Club.

Purpose

This policy aims to set out the guidelines for interstate paddling visitors.

Policy

An Australian registered paddler who wishes to train (not race) with an SA Club is entitled to do so.

The Parent Club would already cover the paddler for insurance, and the paddler would have paid the AusDBF levy.

If a paddler wants to race, they will need to register with the local SA Club in RevSport, and the registration category would be (Dual member – different state).
